

# Mississauga Paddlers Compile 182 Points To Win Fourth Burgee

Mississauga Canoe Club swept to its fourth burgee in five local club regattas when its paddlers captured half the team points at Balmy Beach CC's annual meet Saturday at the foot of Beech Ave.

The Ole Miss' blademen won 15 of the 20 point-scoring races and shared victory in a 16th, to compile 182 points. Balmy Beach, with no victories, finished second, with 68 points. West Rouge had one victory and 48 points; Toronto Sailing and Canoe Club took two wins and 34 points; and Burlington's Mohawk CC shares the canoe singles win with Mississauga and earned 32 points.

The Port Credit paddlers swept all four juvenile races, won six of seven junior events, five other senior races and the bantam canoe fours, the only bantam race for which points are given.

Water off the eastern beaches was calm as a mill pond, not what the host Beaches are accustomed to in the open water in which they practice. When they had rougher weather the previous Saturday at the mouth of the Rouge River, Beaches were able to edge Mississauga, for the latter's only loss of the season, at West Rouge's annual.

Terry Leswick got the burgee winners on their way to the juvenile sweep by taking the canoe singles. He joined Scott Lee to win the tandems, but they and Don Sharpe and Bob Goodall were second to

clubmates Brian Burton, Jeff Green, John Wood and Russ Rosier in the fours. All eight were in Frank Garner's winning juvenile war canoe.

Bob Abbott and Time Stone of Toronto prevented a sweep of the junior events by taking the canoe tandems. Jim Reardon of Mississauga won the canoe singles and was aboard with Dean Oldershaw, Mac Hickox and Bill Osborne in the winning fours boat. Russ Burklmsher was in three winning junior kayaks. He took the singles, the tandems (with Rick Bell) and the fours, accompanied by Bell, Louis Silcox and Jim Warner. Bill Collins piloted the victorious junior war canoe.

Oldershaw emerged as the winningest paddler. He tied with Mohawk's Bill Pitt at the finish line of the senior canoe singles. He and Hickox won the tandems and were joined by Reardon and Osborne for the fours victory. All were in the 1,000-metre and open war canoes steered by Bill Collins. Bell and Burklmsher, along with Mark Butler and Hans Nischan won the kayak fours. Torontos' Gabor Joo again won the kayak singles, in which he has been unbeatable for years. West Rouge's John Mitchell and John McCormick combined for a win in the kayak tandems.

The winning Mississauga boat in the bantam canoe fours contained Bob Boaz, Rick Wood, John Shank and Al Munro.
