Ivor Lloyd (71) came out of retirement to win International Grand Prix at Mosport Saturday on a Norton 500.

## Mississauga wins but has worry

BURLINGTON — (Staff) — Mississauga Canoe Club swept to its third successive regatta triumph of the Western Division paddling campaign this season but a small band of Cartierville boys cast a shadow over the Port Credit crew's onesided win.

A group of eight from Cartierville stayed over after the Dominion Day racing and won five races of the Mohawk club's regatta here Saturday before they packed up and headed home for a program yesterday at the Eastern Division's Otterburn Club.

While Mississauga registered 216 points here, Cartierville's 42 points spoke volumes. This is the year Mississauga hopes to prevent Cartierville from winning its 10th successive Canadian crown, but if eight can make a five-race dent in the Western Division, what have they in reserve for the Canadian championships to be held in

August at Ottawa? That is what is worrying the Mississaugas.

Balmy Beach perked up on the Mohawk course, finishing second with 81 points, followed by West Rouge 64, Cartierville 42, Mohawk 11 and Sudbury 3.

A heartening Mississauga transition from juvenile to juvenile ranks has been made by Terry Leswick. Terry dominated juvenile paddling last year, taking part in six first-place Canadian efforts. On Friday he won the junior tan-

dem with Jim Reardon, was a member in the winning senior four, the 1,000-and 1,500-metres war canoe wins. At Mohawk, he repeated in the junior tandem with Reardon, joined Mac Hickox to win the senior tandem and was boated in both senior war canoes.

Bill Pitt, who shifted to Mississauga this season after leaving Mohawk, took a satisfying first place on his former home course.

On the distaff side, a Balmy Beach kayak women's four scored an important upset. This crew, made up of Nancy Bourne, Dale Harrison, Debbie Pflanzler and Elaine Cutler, beat the favored West Rouge crew to the finish line in one of the better races on the Mohawk card.
