

Balmy Beach First In Rouge Regatta

Balmy Beach Canoe Club paddlers swept to their second victory in as many regattas, winning seven of 18 races and earning 129 points at West Rouge Canoe Club's annual competition at the mouth of the Rouge River.

Toronto Sailing and Canoe Club won seven events and gained 100 points. Host club bladesmen won one race for 42 points; Mississauga CC of Port Credit won three races and 40 points; Mohawk CC of Burling-

ton was winless, but took 19 points.

The Beaches' point margin was mainly accounted for by its paddlers' ability to place in every event. They had eight seconds and seven thirds.

Mohawk CC will entertain this Saturday. Trials for the Canadian team to go to Yugoslavia in August will be held on Long Pond on Sunday, followed by the annual Dominion Day Regatta in conjunction with a card of rowing events at the same site.
